

WTS is a professional organization dedicated to the advancement of the transportation industry and the professional women who help lead it. With more than 9,000 members, both women and men, students and professionals in chapters worldwide, members find community, opportunity, and recognition through numerous events held throughout the year. Many of these events focus on developing the professional, technical, and leadership skills needed in the transportation industry, while also doing so in a fun and collaborative environment.

With the help of our Corporate Sponsors, the WTS Iowa Chapter is able to provide our members with local events and initiatives focused on personal and professional development. In addition, our Corporate Sponsors also help fund the next generation of transportation professionals through our scholarship program. We hope you will consider a commitment to WTS-Iowa. If WTS sponsorship is something you or your company would like to pursue, please contact and Blake Walter (blake.walter@fhueng.com) with any questions. Please fill out the attached sponsorship form below.

On behalf of the WTS Iowa Chapter, we sincerely thank you for your support! We look forward to partnering with you in the future.

Warm Regards,

Jacqui D.

Jacqui DiGiacinto
WTS Iowa President

Sponsorships

Our board of directors have several great program and professional development initiatives planned for 2026. We will continue to grow our chapter and reach within the transportation community. We will continue our scholarship fund to reach the next generation of women in transportation.

Please consider donating at one of the membership levels.
