Overview

Yes **FOR** Meck is a community-led effort to support a bold transportation plan that makes it faster, easier, and more affordable to get where you need to go. The plan improves roads, adds more frequent bus service, builds safer sidewalks, and creates a direct rail line to the airport. By passing this plan, we can expand opportunity, strengthen economic mobility, and ensure every resident has reliable ways to connect to jobs, schools, healthcare, and each other.

Invest in Your Future!

- ✓ Less Congestion
- ✓ Improves Quality of Life
- ✓ Improves safety
- ✓ Improvements for all areas of Charlotte-Mecklenburg
- ✓ More Green Lights
- ✓ Road Improvements
- ✓ Economic Mobility

How This Plan Makes Life Easier

A Smarter Way to Move

This Transportation plan will take a comprehensive approach to reduce traffic and improve how we move around the region, making it cheaper and easier to get where you need to be, regardless of whether you drive, ride, walk, or bike.

Faster Commutes with Smart Signals

By installing "smart" traffic signals, we can modernize and synchronize our system to reduce wait times, increase green lights, and improve commutes.

More Options and Safer Streets

This plan will also expand public transit routes and increase frequency while addressing the city's long-standing needs for sidewalks, streetlights, and improved safety.

How to Get Involved

Vote!

- October 16th – November 1st: Early Voting Period
- November 1st: Last day of in-person Early Voting
- November 4th: Election Day
- November 4th: Last day to return Absentee By-Mail ballots
