

## 2026 WTS-Boston/WTS Foundation Junior College/Trade School Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation-related study at community and trade colleges.

This scholarship is intended for students pursuing an associate or technical or trade school degree in transportation-related studies.

**The WTS-Boston Chapter is offering a scholarship in the amount of \$2,000.** The recipient's application is then forwarded to the **WTS Foundation for consideration for the International WTS Junior College/Trade School Scholarship in the amount of \$2,500.** The minimum criteria for selection are:
