President's Message

As my term as President of WTS Central Florida comes to a close, I can't help but reflect on what an incredible journey 2024 has been. It's been a year of progress, collaboration, friendship, and unforgettable experiences.

I want to begin by expressing my heartfelt gratitude to our Sponsors. Your unwavering support has fueled our mission of empowering women in transportation. Your generosity has opened doors, created opportunities, and strengthened our community. We are grateful for your belief in our vision.

To our Committee Members, you are the heart and soul of this organization. Thank you for bringing your creativity, expertise, and passion to every initiative. Your hard work has pushed us closer to a future where the inclusion of women leaders reflects excellence and is the norm.

To our Members, your energy and engagement make all the difference! Through your participation in events, discussions, and programs, you've built a supportive community that continues to inspire us all. We couldn't do this without you!

Thank you to the Central Florida community for embracing our mission and standing with us on this journey. Your encouragement and collaboration have been instrumental in breaking barriers and fostering equality in the transportation sector. Together, we are creating a brighter, more inclusive future for all.

Serving as your President has been a true honor. I'm so proud of what we've accomplished together and excited about the path ahead. I invite you to keep the momentum going: consider becoming a sponsor, attending an event, or following and engaging with us on social media.
