

DEI IN MOTION

Honoring Martin Luther King Jr. Day

January 2026

Dr. Martin Luther King Jr. taught us that progress is born from courage, compassion, and an unwavering belief in the dignity of every person. On MLK Day, January 19, we honor not only his words, but the responsibility they place on each of us to speak up, to serve, and to build systems that reflect fairness and humanity. Dr. King's work reminds us that progress is not passive; it requires courage, collaboration, and a willingness to challenge inequities wherever they exist.

For WTS Chicago, this day is a powerful reminder that our work in transportation is ultimately about people. Equity in access, opportunity, and representation matters because communities thrive when everyone is seen, heard, and valued. Dr. King's vision challenges us to look beyond comfort and tradition and to actively shape a more just future.

As we reflect on his legacy, may we be inspired to lead with empathy, to mentor with intention, and to create spaces where diverse voices are not only welcomed, but empowered. We encourage our members to reflect, engage, and take action through service, mentorship, or advocacy. There are many MLK Day of Service events throughout the Chicagoland area, and we invite you to participate. Keep an eye out for future volunteer opportunities with the Diversity Committee as we continue to serve our community on MLK Day and throughout the year.
