

DEI IN MOTION

Celebrating Native American Heritage Month November 2025

Native American Heritage Month, celebrated every November, is a vibrant and essential time of celebration across the United States. This month honors the profound resilience, diverse cultures, and enduring contributions of the Indigenous peoples who are the original stewards of this land. From coast to coast, communities gather to enjoy rich traditions, art, dance, and music, acknowledging the deep historical roots and contemporary vitality of Native American and Alaska Native nations.

It is a powerful moment for all Americans to recognize and appreciate the integral role Indigenous cultures play in the national tapestry, celebrating their past, present, and inspiring future. There are many events taking place in Chicago, but to note a few:

- Celebration of Native American Heritage at Brookfield Zoo
- Weaving Traditions: Loom Workshop at Chicago Public Library
- PlayLab PlayDate: Native American Heritage Month with Trickster Cultural Center at the Field Museum
