2026 WTS-DC Undergraduate Scholarship Application

Due October 12, 2026

WTS-DC fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding scholarships in amounts ranging from \$1,000 to \$5,000 to deserving young women who are pursuing undergraduate degrees in transportation-related fields within the Washington Metro area. Recipients at the chapter level also may be nominated for consideration for WTS International scholarships in the amount of \$5,000.

The minimum eligibility criteria for selection¹ are:

- Currently enrolled in a degree program in a transportation-related field such as transportation planning or engineering, security planning, business management, finance, logistics or public policy.
- Plans to pursue a career in a transportation-related field.
- Attends school in the Washington metropolitan area.
- Self-identifies as female.

To be considered, you must complete and submit the following items below to the WTS-DC Scholarship and Fundraising Committee at wts.dc.scholarships@gmail.com **before 5:00 p.m. on Monday, October 12, 2026:**

Individuals who have previously received scholarships from the WTS-DC Chapter are eligible if they are pursuing a new degree; however, they are not eligible to be selected more than once while pursuing the same degree.

6. Proof of enrollment (such as a copy of your current tuition receipt or registration card); and
7. (*Optional*) A letter of recommendation from an additional mentor or advisor you have known in a professional or academic capacity.
