

Invest in the People Moving Transportation Forward

The future of transportation depends on more than great projects. It depends on great people.

WTS advances the transportation industry by helping women and professionals at every stage of their careers connect, grow, and lead. Our global network of more than 9,000 members brings together students, emerging professionals, and industry leaders committed to moving transportation forward.

Here in Iowa, we believe investing in our industry means investing in its people, from today's leaders to the next generation shaping its future.

Our Corporate Sponsors make that possible. Your support helps WTS Iowa provide professional development, networking, mentorship, industry events, and scholarships while building a stronger, more connected transportation community.

When you sponsor WTS Iowa, you're investing in people, strengthening our industry, and helping shape who leads transportation next.

We invite you to be part of it. For sponsorship information, please contact Blake Walter at blake.walter@fhueng.com.

Thank you for investing in our members, our industry, and its future. We look forward to building it together.

Warm Regards,

Kristina Kuehling
WTS Iowa President

Sponsorships

Our board of directors have several great programs and professional development initiatives planned for 2027. We will continue to grow our chapter and reach within the transportation community. We will continue our scholarship fund to reach the next generation of women in transportation.

Please consider donating at one of the membership levels.
